BIBLE CAMP

MITCHELL, IN

2830 HWY. 60 EAST
MITCHELL, IN 47446
812-849-3111

Help our Community when you help SMBC:

SMBC is a non-profit organization operated by a board of directors from congregations of the churches of Christ in Indiana & Kentucky. Since the first camp session in 1963, thousands of people have grown closer to Jesus Christ and other Christians at SMBC. Each year, more than 1,000 youths pass through the gate to encounter a supporting environment where campers are encouraged to remain faithful to Christ throughout their lives. In addition, young people are taught life skills in teamwork, patience, and setting goals. They learn how to take care of their possessions, clean up after themselves, and rely on each other for help. This translates to them being better employees, employers, bosses, and government leaders, with a positive outlook on life and responsibilities. When you support SMBC, you are support the future lives of young people and of our community.

More about SMBC:

Each summer kicks off with Day Camp for 5-7 yr. olds. This mini-camp consists of lessons, songs, play time, and even nap time in the cabins. SMBC then gets into full swing in early June. For 8 weeks, kids from 8-18 plunge into week-long sessions of song, lessons, devotionals, crafts, sports, games, campfires, swimming, skits, and free time. In addition, Family Camp is held each October.

SMBC is located in Lawrence County, 4 miles east of Mitchell on 75 acres of rolling, wooded hills in the heart of southern Indiana. There are 5 girls' cabins and 4 boys' cabins. A modern cafeteria includes bedrooms, bathrooms, and showers for around 20 staff members. A nurse is on hand each week at the Infirmary, and we have a storm shelter in the Infirmary basement. For recreation, we have a large basketball court, softball field, sand volleyball, tetherball, hiking trails, and a tennis court. The swimming pool at Spring Mill State Park is available to boys and girls on alternate days.

Costs and the Future:

It is our goal to keep camp affordable. At an average of \$90 per week, per camper, we remain one of the lowest priced camps in the country. In 2006, the cost to have a camper was \$126 per week. The cost is offset through gifts from congregations and individuals, and through fund raising efforts such as our Golf Scramble and RallyDay.

Our buliding projects include replacing our sewer system for the entire camp, and building 10 new cabins, allowing us to nearly double our capacity, at a cost of \$500,000. Your sponsorship will help SMBC to continue and improve. Thank you for your consideration of supporting Spring Mill Bible Camp.

Golf Scramble Details:

Place: J Rock Ridge Golf Course - Mitchell, IN

Date: May 16, 2009
